Prof. (Dr.) Achyuta Samanta

Founder - KIIT, KISS & KIMS

Dr. Achyuta Samanta, a visionary philanthropist, founded KIIT & KISS Universities with a mission to eradicate poverty through education. Despite facing extreme poverty in his childhood after losing his father at a young age, he was determined to change his future through education.

Dr. Samanta's unique model of social transformation involves establishing two parallel institutions: Kalinga Institute of Industrial Technology for the affluent and Kalinga Institute of Social Sciences for the impoverished.

Over the past 25 years, these institutions have evolved into two distinguished universities, collectively educating over 60,000 students. KISS has garnered international recognition, with over 20 Nobel laureates and more than 100 heads of state visiting and commending its development model.

Prof. (Dr.) Saranjit Singh

Vice Chancellor
KIIT DU

Prof. (Dr.) Saranjit Singh, a seasoned academician with over 25 years of experience, has dedicated 11 years to career augmentation and placement activities.

His focus lies in the holistic development of students' skills and conscience, creating engaging learning environments. With a Ph.D. in Production Engineering from BIT Mesra, Ranchi, and M.Tech. from IIT Varanasi, his expertise spans material processing technologies and competitive manufacturing strategies.

He has guided several Ph.D. and Master's students, authored multiple research articles and books, and is a Fellow of the Institution of Engineers (India).

Currently a Professor at KIIT's School of Mechanical Engineering, he has held key administrative roles and continues to enrich the academic community.

**Prof. (Dr.)
Sukanta Chandra Swain**

Dean-Incharge
KSEC, KIIT DU

Prof. (Dr.) Sukanta Chandra Swain is a Professor of Economics and Dean (Research) of the School of Economics & Commerce, KIIT Deemed to be University, Bhubaneswar. Before taking up the assignment in the School of Economics & Commerce, he was the Dean, School of Humanities, KIIT Deemed to be University, Bhubaneswar. Prior to joining KIIT, he was with the Chartered Financial Analysts of India as the Professor and Associate Dean.

He has 30 years of teaching experience out of which nine years of experience is in academic administration. He has been successfully guiding research scholars in their doctoral degree and considerably contributing to the intellectual world in the form of publishing research papers, giving keynote/plenary talks, delivering as resource persons, taking up consultancy projects, conducting Workshops, National Seminars/Conferences, FDPs and MDPs. To his credit, he has more than 100 publications in refereed journals and chapters in books, besides having authored/edited five books. He was invited by NAAC-Bangalore to deliver talks on the accreditation process and have discussion with the NAAC officials on how to improve the accreditation process in the eastern region by analyzing the state-wise quality assurance report. He is a NAAC Assessor.

About KIIT DU

KIIT is the only university from Odisha and among self-financing universities in India to have been accorded the 'Institution of Eminence' status by the Ministry of HRD, Govt. of India. Through the ambitious 'Institution of Eminence' Scheme, the Govt. of India aims to develop the selected universities into world-class higher education institutions and enable them to break into the top100 global university ranking over the years.

No.1

Self-financing Institution of India

KIIT is ranked 1st among self-financing institutions of India in the Atal Ranking of Institutions on Innovation Achievements (ARIIA) by Ministry of Education, Govt. of India.

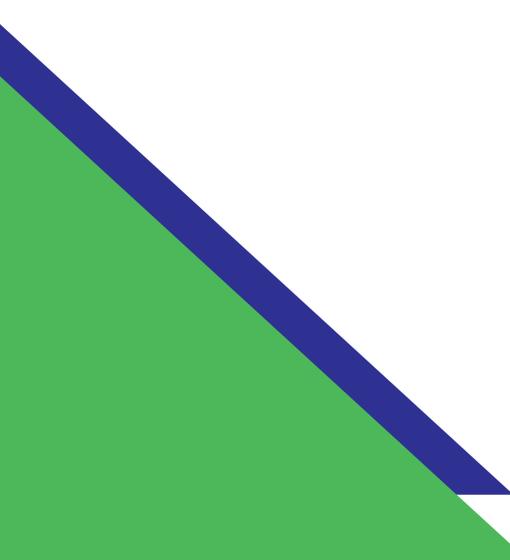

Global Recognition

Committed to excellence and global cooperation in higher education, KIIT Deemed to be University is member of prominent national and international university networks as mentioned below:

Some Global Highlights:

- Accredited as a university under section 3 of UGC Act, 1956, with 'Institution of Eminence' status conferred by the Government of India.
- Designated as an 'A' Category University by the Ministry of Education, Government of India, and granted 'Full Autonomy' by UGC.
- Received an 'A++' Grade by NAAC (National Assessment and Accreditation Council).
- Achieved 'Tier 1' accreditation by NBA (National Board of Accreditation) and IET, UK accreditation for its B.Tech. Programme.
- Globally ranked 201-300 as per Times Higher Education Impact Ranking 2021.
- Recognized in global university rankings by Times Higher Education and QS BRICS World University Rankings.
- Honored with the 'Awards Asia 2020' in the category 'Workplace of the Year' by Times Higher Education.

About KSEC

KIIT School of Economics & Commerce

Establishment: The School of Economics & Commerce (KSEC), part of KIIT Deemed to be University, was renamed on May 15, 2024. It was initially established as the School of Commerce & Economics (KSCE) on July 17, 2019, and later renamed the School of Social Financial and Human Sciences (KSFH) on December 15, 2021. This shift reflects a strategic focus on a broader, future-oriented academic vision in economics and commerce.

Recognition: Despite its youth, KSEC is recognized for its academic excellence and extracurricular activities.

Vision: Aims to be a globally acclaimed center for multidisciplinary studies and research.

Pedagogy: Emphasizes experiential learning, human values, and innovation with modern technologies.

Faculty: Expert panel motivates students, offering career-oriented internships and guidance.

Programs: Offers undergraduate, postgraduate, and Ph.D. programs in Commerce and Economics.

NEP-2020: Among the first in the state to implement the National Education Policy (NEP) 2020.

Student Intake: Growing student population, reflecting strong placement records.

Events: Hosts academic and extracurricular events to nurture skills and talents.

Industry Focus: Prepares students for the industry through practical knowledge and research.

Research: Houses the International Centre for Business Research and Innovation (ICBRI).

Outcome-based Teaching: Provides practical courses to enhance students' competitiveness.

VISION:

To create an advanced centre of professional learning of international standing where pursuit of knowledge and excellence shall reign supreme, unfettered by the barriers of nationality, language, cultural plurality and religion.

MISSION:

- Imparting quality value based education of international standard and imbibing skill for solving real life problems.
- Inculcating global perspective in attitude.
- Creating leadership qualities with futuristic vision.
- Fostering spirit of entrepreneurship and realisation of societal responsibilities.
- Cultivating adaptation of ethics, morality and healthy practices in professional life.
- Instilling habit of continual learning.
- Encouraging and supporting creative abilities and research temperament.
- Establishing and promoting close interaction with industries and other utility sectors and keep abreast with state-of-the-art technology.

KSEC: Programmes Offered

Department of Economics

- 4-Year BA, Economics (Honours) as per NEP 2020
- 4-Year B.Sc. (Economics & Data Analytics) as per NEP 2020
- 2-Year MA, Economics
- Ph.D. in Economics

Department of Commerce

- 4-Year B.Com (Honours) as per NEP 2020
- 2-Year M.Com (Dual Specialization)
- Ph.D. in Commerce

KSEC: USPs

Faculty Excellence: Faculty members from esteemed institutions drive innovation and research.

Infrastructure: Modern facilities including Smart classrooms, Wi-Fi connectivity, labs, and libraries.

Student Support: Personalized mentorship system to address student needs.

Integrated PG Courses: 5-year integrated PG programs offered in diverse disciplines.

Scholarships: Meritorious students rewarded with scholarships for academic excellence.

Sports Facilities: 15 sports complexes equipped with gyms, pools, and stadiums.

Medical Assistance: Round-the-clock medical support provided by KIMS.

Hostels and Dining: Fully furnished hostels and multiple dining options catering to diverse preferences.

Digital Library: Extensive digital resources available for research and study purposes.

Career Planning: Organized programs and clubs focused on career guidance and development.

Research Innovation and Academic Capacity Building at KSEC

Research Culture: KSEC fosters a robust research environment, notably through the International Centre for Business Research and Innovation (ICBRI).

Faculty Development: Continuous efforts are made to enhance faculty skills, including academic writing and data analysis.

Publication Opportunities: Students are encouraged to publish in the bi-annual school journal Pragyan and the International Journal of Finance, Entrepreneurship & Sustainability.

KSEC Research Working Paper Series: Launched to facilitate peer-reviewed pre-publication outputs by faculty and external collaborators, aiming to strengthen research output.

Faculty Interaction: Faculty members engage in Faculty Development Programmes (FDPs) to broaden their research expertise, benefiting from interactions with domain experts.

KSEC: Scholarly Edge

Infrastructure and Learning Resources:

Smart AC Classrooms, Wi - Fi Connectivity, E-learning Environment, Extensive Library

Professors of Eminence:

Dr Rajendra P. Srivastava, Kansas University, USA

Dr. S. S. Khanka, DJU, New Delhi

Dr. Aswin W. Joshi, York University, Canada

Prof. O.P. Rai, Former Head & Dean, BHU, Varanasi

Prof. Nancy Holmes, Canada

Campus Facilities, Placements, and Best Practices

- **Excellent Placement Record:** KIIT University maintains full placement and internship opportunities.
- **Summer Internship Success:** KSFH/ KSEC achieves 100% summer internship placement for 2023 and 2024 batches.

Notable Placements (2022-23):

- **ErnstYoung:** 20 students selected from B.Com. and M.Com. programs.
- **High Radius:** 50 students from the 2021 batch selected as interns, with 10 receiving pre-placement offers.
- **Companies Approaching KSEC for Placement:** Axis Bank, EY, High Radius, My Idios, Kfintech, L'Oreal, Deloitte, TCS, Accenture, Genpact, Edoofa, WeMakeScholars, LeadSquared, IntelliPat, LearningShala, Godrej, State Street Corporation.

Extension & Extramural Activities (2022-23):

- **Inclusive Education:** Talks by academicians, industry leaders, and policy makers.
- **Holistic Insights:** Students gain diverse perspectives through interactions.
- **Workshops:** Various workshops organized to enrich knowledge base.
- **Enrichment Programs:** Extension and extramural activities for overall student growth.

Experiential Learning:

- **Industry and Field Visits:** Students gain practical experience and connect with society.
- **Holistic Learning:** Encouragement of experiential learning alongside academic rigor.
- **Development of Connect:** Visits foster a deeper understanding of societal and industrial realities.

Extra-Curricular Activities and Student Clubs

Fostering Life Skills: Co-curricular activities imbued with professional values.

Diverse Activities: Weekly seminars, business quizzes, elocution, planting, and essay competitions.

Club Engagements: Finance, Social Media, and Leadership Clubs for skill enhancement.

Expert Insights: Talks by professors of eminence and industry experts.

Real-world Exposure: Industry visits and internships for practical learning.

Expertise Learning System: Comprehensive learning approach for skill refinement.

Certificate Programmes and Minor in Financial Economics (Using Data Analytics)

KSEC offers 7 certificate courses for its students in order to impart competency, commitment for profession building expertise in specific field and helping them in their job advancement. The certificate courses have been designed to develop and strengthen the students with specific career skills in different field. In this perspective following certification programmes are being offered by KSEC -

01 Income Tax Return Filing

02 Digital Marketing

03 Basics of MS Office

04 Goods and Service Tax (GST)

05 Applied Statistics Using R

06 SAP FICO

07 Manual Testing

KSEC offers a Minor in B.Tech program titled Financial Economics (Using Data Analytics). This course equips B.Tech students with a blend of technical and analytical skills, inter disciplinary knowledge, and a deeper understanding of economic principles. These attributes not only enhance their career prospects but also prepare them to tackle complex challenges in a rapidly evolving global economy. Students get to learn two softwares SPSS and Eviews proficiency in which enhances analytical capabilities and career prospects in research and academia. Students with no backlogs till the end of 4th semester and a minimum CGPA of 7.0 are eligible to apply for Minor scheme. The approved number of seats is 140. Interested students can acquire additional 20 credits to be eligible to get a certificate in Minor.

Experiential Learning

At KSEC, we strongly believe that while our students receive modern education to scale heights of success, it is important for them to remain rooted to the realities of the society as well. Holistic learning has been our motto and in pursuit of such as attempt, KSEC organizes industrial and field visits so that our students can experience, observe and internalize their curricular knowledge. Such action learning attempts are embedded into our curriculum to maximize all round development of our students. The experience also goes along way in developing a connect with the society and the industry with which the interface is critical.

Student Study Tour to Bengaluru

5th Foundation Day

Blood Donation Camp

Distinguished Lecture

Research Innovation and Extension

KSEC has established a full – fielded “International Centre for Business Research and Innovation (ICBRI)” to develop and promote research acumen among the faculty, scholars & students by fostering collaboration and improving knowledge creation in the domain of commerce, Economics, Psychology and Sociology. More emphasis is given on ethical as well as outcome-based research, attracting govt. And non-govt. research grants, publication of journals, and creation of multi purpose data bases.

ICBRI organizes various national and international seminars, symposium, conferences, workshop and training program setc. on a regular basis.

To strengthen the research and innovation activities a computer lab has been set up.

Students’ Publications

KSEC provides excellent academic opportunities to its students and analytical and scientific temperament nurtures among its students. To encourage and provide research publication opportunity to its students, the school has come up with its own academic research journal 'Pragyan' which has already published two volumes and has been highly appreciated by the editors and reviewers at National and international level.

Infrastructure and Learning Resources

Development of an all inclusive policy towards framing a student friendly, learner centric campus with all ultra-modern physical (Smart AC Classrooms, Labs, library, Wi-Fi enabled campus etc) and digital infrastructure like resources and e-learning environment from the core of the KSEC Philosophy.

KSEC NSS Unit

Inspiring young students to embark on a journey of community service, leadership and social change the KSEC has two National Service Scheme (NSS) units each boasting over 100 NSS volunteers. The KSEC NSS Unit provides the best platform for the students to engage in various collective community-centric activities contributing to the holistic development of society. Established with the aim of fostering social responsibility and active citizenship among the youth, the KSEC NSS Unit has organized innumerable successful events including Winter Special Camps and our students have actively participated in various events such as the National Youth Festival, National Integration Camps, and State Youth Leadership Camps. Our units have also undertaken numerous social activities, including dental check-up camps, blood donation drives, menstrual hygiene awareness and voter awareness campaigns.
