ABOUT US

KIIT School of Economics and Commerce (KSEC) is a vibrant, industry-focused school offering programs in Commerce, Economics, and Data Analytics. It blends strong theoretical foundations with practical learning, emphasizing analytical skills, research orientation, and real-world application. With experienced faculty and modern academic facilities, KSEC prepares students for diverse careers in finance, data science, corporate roles, and competitive examinations. KSEC also promotes holistic growth through seminars, workshops, student activities, and industry interactions, ensuring students gain both professional competence and personal development.

With a student-centric approach and a strong focus on innovation, KSEC continues to nurture future-ready graduates who can excel in a dynamic and competitive world.

OUR FOUNDER

Prof.
Achyuta Samanta

Dr. Achyuta Samanta, the visionary founder of KIIT and KISS, is a renowned educationist and philanthropist who transformed a small idea into one of India's leading universities. Through his dedication and commitment to inclusivity, he has created world-class institutions that empower thousands of students especially underprivileged tribal children by providing quality education, opportunities, and holistic development. His leadership continues to inspire growth, innovation, and inclusivity, making KIIT and KISS models of excellence that impact lives across India and around the world.
